

Bowls Hampshire Online Application – User Access

Dear Member,

Following on from the Roadshows, we are now inviting you to obtain your user access in readiness for entering your Clubs Affiliation, Officers and competitions.

If you haven't already supplied your email address, could you send it to me, as that will be required as the system checks your name and email in order to give you access for a logon.

In the first instance you need to create a 'User' account. The best way to do this is go on to google and enter the 'Bowls Hampshire Online'

Click on the "create login" link at the bottom left and follow the instructions to create your account.

It is important that your name is the same as has been preloaded onto the system i.e. the club may have listed a member called Edward Smith as Ted Smith or Kathleen Jones as Kath Jones. You are able to update / change your name once you have gained access to the system.

Register

Please enter your name and email address from below to register. If your details are found on the system, an email will be sent to you. If you are unsure of any of your details, please check with your club's officer responsible for County affiliation.

The following notice should appear if you have been successfully registered.

Registration submitted

Thank you, your details will be processed. If successful you will receive an email shortly (you may need to check your spam folder).

An email will then be sent to you in order for you to log on to the application, please check your Spam/Junk folder if you do not find the invitation in your Inbox. Your username can be either your **email address** or your name but if you use your name, it should first name with a capital letter and second name with a capital with no spaces in between i.e. **HazelMarke**.

Kind regards
Hazel Marke
