

Bowls England name Under 18 International Team

Bowls England has announced its team for the Under 18 International Series to be held at Belmont BC, Belfast, Ireland, on Sunday 21 and Monday 22 July.

The team includes five of last year's successful side and will be led by Charlie Beeton (Suffolk) as captain.

Our international teams are supported by principal partner Aviva. Players will be showcasing the partnership across the England kit that was launched last year in conjunction with long-standing apparel partners Aceit.

Whilst selected players are already in the heat of battle at club and county level, many are taking time from their busy schedules to visit clubs for Bowls' Big Weekend 2024. The event, taking place from 24th to 27th May, is a staple of the annual bowls calendar, showcasing the power of the grassroots game and the inclusivity of our sport.
